Faculty Grading: Finding Courses

Click on Final Grades

Note each column header. Any column can be sorted A-Z or Z-A (oldest to newest or newest to oldest) by clicking on the title.
Changing the sort order of your courses

To change the term order:

(For now, all courses will be listed: past present and future)

Click on the Term title to change the sort order from newest to oldest or vice versa.

You can also change the amount of courses per page to view by clicking on the Per Page box. Options are 5, 10, 25, 50 or 100.

Future terms may also be listed.

Remember to scroll to see more courses.
You can also change any of the other columns sort order by clicking on their title.

*Please note: we will be limiting the courses to the grading term in the future with the next Banner release.*
